**Plaintiff's Proposed Voir Dare Questions**

COMES NOW the Plaintiff, through her attorneys, and submits the following proposed voir dare questions:

1. Do you believe that a person's right to privacy is important?
2. Do you believe that the right to privacy includes being left alone by the government unless the government has a good reason to become involved in a person's life?
3. Are you prepared to award money damages to the Plaintiff if you find that she proves that she was harmed by the conduct of the Defendant?
4. Do you have any problem or concern with serving on a jury in a case involving a video tape containing nudity?

5. Do you believe that among all conduct in which a person has an expectation of privacy, perhaps the greatest expectation of privacy between a married couple is their conduct in their bedroom?

6. Do you believe that there is anything inherently improper about a married couple voluntarily video taping themselves engaged in sexual relations for their personal and private viewing?

6(a). (If necessary) If you have personal feelings that such conduct is improper, will you set them aside and decide the present case based on the evidence instead of your personal feelings?

7. Do you believe that it would be emotionally distressing for a married person to learn that a stranger viewed her engaged in sexual relations with her husband?

8. Do you believe that the police sometimes engage in improper conduct?

9. Would you excuse the misconduct of a police officer because he or she is a police officer?

10. Will you believe the testimony of a police officer over the testimony of others?

11. Are you related to any law enforcement officer? Who? How?

12. Have you ever lived on a military base? If so, under what circumstances? When? How long?
